

U.S. House of Representatives Page Program

Pages have been serving the House of Representatives for nearly two hundred years. Working as a team, Pages assist Members with their legislative duties, deliver correspondence and small packages within the congressional complex, answer phones in the Member cloakrooms, and prepare the House Floor for sessions.

While serving the House, Pages live in Washington D.C., at the Page Residence Hall, a few blocks away from the Capitol. During the academic year, Pages attend classes at the House Page School. Pages must be sponsored by a Member of Congress and be at least sixteen years old on the date they begin their term.

Congressional page positions are only available on a periodic basis. To find out if a position is open, and for more information please [Contact Me](#) .
